

"Roundtable discussions are a great opportunity to review, discuss, question and learn best practices with credit professionals of countless experience and backgrounds, across various industries and company sizes. It is a great opportunity to network with other credit professionals that you can later reach out to regarding the roundtable discussion or other related credit processes or circumstances. They are equally beneficial to both the newer and the more experienced".

—Chuck Levy, CCE  
Credit Manager  
Fabick CAT
