## Emerging Leader Series

Professional Development, Networking & Credit Leadership Training

Introducing the Emerging Leader Series, educational and networking events just for the young credit and A/R professionals in the Indianapolis area. *If you are 35 or younger and are working in the credit or A/R field, come see what we are all about!*

Our goal is to provide this audience with a place where you can gather with people that share your career interests.

For more information about the program, or to suggest someone to receive an invite, please contact Susan Rooney, at [susan.rooney@nacmconnect.org](mailto:susan.rooney@nacmconnect.org) or by phone at 847.483.6426.

# Billiards and Speed Networking

**Networking can be one of the most powerful and productive activities you can do to launch and manage your career.**

How much can you learn about someone in just three minutes or less? We're going to see if we can find out. During the speed networking session you will visit with as many of the attendees as possible while exchanging cards and finding common ground. Every three minutes you will switch but if you do meet someone you want to find out more about you have the option of seeking that person out after the exercise is complete.

The best way of making as many new best friends in a short amount of time possible. *Bring business cards and take notes!*
